Vice Chair	Peter	Grant	Scottish National Party MP
Vice Chair	Martyn	Day	Scottish National Party MP

Secretariat

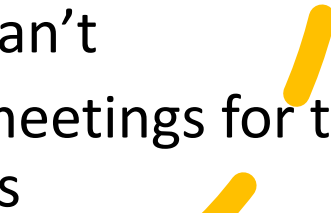

The Transparency Task Force, a Certified Social Enterprise, is happy to stand for election as the APPG's Secretariat

The Purpose Statement of the APPG on Personal Banking and Fairer Financial Services is:

“To identify aspects of personal banking and financial services where the service providers or regulators have not delivered, or are not delivering, excellence and appropriate consumer protection; to facilitate and encourage all stakeholders to work together to resolve past and present shortcomings, and to bring about positive changes.”

Other Matters

- There is no need for an Income and Expenditure statement as there has been no income or expenditure
 - The APPG will continue with its own focus plus that of the APPG on Pension Scams, whose members have transferred into it
 - The merging of the two websites is underway
 - Having just one APPG to run means the Secretariat can devote more time to supporting this APPG
 - We intend to run monthly Zoom meetings as there is so much going on in this space; attend if you can, not to worry if you can't
 - We propose quarterly Zoom meetings for the leadership of all financial APPGs
- 

Any questions,
comments?
